

## Sales Order Policy

For Elite Overdrive™ as expressed by its parent company, Elite Epigenetics [www.EliteEpigenetics.com](http://www.EliteEpigenetics.com) Elite Overdrive™ is trademarked by Elite Epigenetics and registered with the United States Patent and Trademark Office.

### I. Payment

Payments may be made by credit card, PayPal, or bank transfer.

All payments are processed by the respective payment processors used to process your payment transaction. Elite does not save any financial card data. Elite only stores non-sensitive data, such as the cardholder's name, address, and card validity in our database.

### II. Return Policy

At Elite Epigenetics, product quality is an absolute priority. If at any time you change your mind, you can return your order. To return your order, the product cannot be opened (safety seal breached) and the purchase must be within 90-days upon receipt.

#### ***Products should be returned to:***

Elite Epigenetics  
350 Alabama St., Suite K  
Redlands, CA. 92373

Please include your name and order number along with the product(s) being returned. Within 24-hours of receipt, the returned products will be refunded back to the credit card used to originally purchase the product.

Except mistakes from our services, freight cost always remains at customer's expense.

In terms of incorrect orders, please check your order details and review your order before confirming payment. You will have an hour to make any changes to your order before it is processed and shipped. In the case of an order change, please use our on-line chat or email us at [info@EliteOverdrive.com](mailto:info@EliteOverdrive.com) and we can help you with any necessary changes to your order.

### III. Regulations

The products offered on this website are not medicines. They are nutritional supplements, regarded as such by the FDA. You should, however, check the legal status of these products in your country of residence. These products are sold neither for the purposes of diagnosis, prevention nor treatment of diseases. If you are suffering from a disease, you should consult a doctor. Women who are pregnant or breastfeeding, children under 12 and people receiving medical treatment should, in general, refrain from taking nutritional supplements except on the advice of their therapist. The photographs on this website are intended as a guide only and are non-

contractual; actual products may differ from the photographs. We reserve the right to dispatch our products from the US, Canada, and Mexico.
